## Care Navigator Vacancy

28 hours per week, spread across four days

Salary negotiable depending on experience

An exciting opportunity to join our friendly, supportive, and dynamic GP practice committed to provision of excellent primary care services for our 7,500 patients.

Hungerford Surgery is offering an ideal opportunity for someone who wants to work in a fast pace, hard working environment amongst a team of health care professionals including our GP partners and loyal nursing team.

Are you confident, reliable, and professional looking to give something back to the community? Our care navigators deliver a high standard of professionalism to our patients, they are well trained to offer our many services and can advise who is best suited to help our patients in need. Although experience in a customer facing role is preferred, the successful candidate will be given full training for the role and will benefit from our full team social and well-being events.
